Management has analyzed the tax positions taken by Safe Parking LA and has determined that as of June 30, 2025, there were no material uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

Our nonprofit organization is dedicated to providing financial assistance to currently unhoused individuals for auto-related repairs, credit repairs, and rental assistance. We maintain comprehensive records to substantiate the amount of assistance provided, the eligibility of grantees, and the selection criteria used to award assistance. Awards are disbursed by staff to third party vendors and not directly to participants.

We utilize detailed spreadsheets and accounting records to document the amounts awarded to each grantee. These records include information on the eligibility criteria met by each individual, ensuring that assistance is provided to those who meet our established guidelines. Additionally, our selection criteria are clearly outlined and consistently applied to ensure fairness and transparency in the awarding process. All awards are tracked within HMIS in the LAHSA system to ensure applicants are receiving appropriate assistance across other government funded programs and organizations as a cross reference of fair distribution of awards.

Form 990, Part III, Line 1:

Safe Parking LA (SPLA) provides safe overnight parking to facilitate stability and housing in Los Angeles County for individuals living in their vehicles, and advocates for fair and equitable treatment and resources for the unhoused. SPLA prevents chronic homelessness by providing safe parking programs and access to housing-focused case management and supportive services. The below highlights capture the organization's planned efforts to provide safety, stability, and pathways out of homelessness for safe parking participants and the greater community. FY25 served 407 participants, fielded 2,933 warmline calls, supported 61 exits to permanent housing (21% rate). FY25 demographic context: 42% Black/African American (vs. 32% of LA County homeless population), 37% women, 14% veterans, 66% employed or have income source.

SPLA's most significant activities center on operating and managing safe parking programs. Participants are referred to the program and are welcomed into a structured organization that prioritizes safety, stability, and pathways out of homelessness. At each site, Safe Parking LA provides overnight security, access to restrooms and handwashing stations, and a supportive environment that reduces the risks associated with sleeping on the street or being forced to move from place to place.

In addition to safe parking operations, Safe Parking LA provides case management and housing navigation services. SPLA staff work closely with participants to address barriers to housing, connect them to employment and income supports, obtain identification and documentation, and secure permanent housing opportunities. The organization also partners with local governments, service providers, healthcare institutions, and faith-based organizations to expand resources and improve outcomes for people experiencing vehicular homelessness.

Additionally, to safe parking lot operations and case management, SPLA operates a 7-days a week staffed community warmline. On the line, callers are screened to understand their individual needs and provide appropriate referrals up to and including enrollment into one of SPLA's program sites. Annually, the warmline receives 2,000 inquiries. SPLA operates at a 95% screening rate for these calls. Once a potential participant has been identified as appropriate for enrollment into a program site, individuals are provided with a permit to the location of their choice, a AAA membership, and a dedicated case manager. That case manager follows up with the enrolled participant within 3 days of lot attendance to develop a unique Housing Services Plan and enroll that individual or family into the Homeless Management Information System.

SPLA also provides direct cash assistance to participants in support of obtaining and securing housing or vehicle-related expenses. SPLA provides for these incidentals so participants can use their vehicles safely and legally. The car is their current home, but it is also their livelihood and provides access to other vital services and networks.

The "front door" to SPLA is the community warmline, which operates 7 days a week with a live, available staff member to field requests through phone or email. On the line, callers are screened to understand their individual needs and provide appropriate referrals up to and including enrollment into one of SPLA's program sites. Annually, the warmline receives 2,933 inquiries. SPLA operates at a 95% screening rate of these calls.

Financial Assistance: Once a participant has been enrolled at a program site for 30 days, they become eligible for access to the Participant Financial Assistance (PFA) program. Participants can request direct funds for auto-related repairs, credit repair, and rental assistance. SPLA provides for these incidentals so participants can use their vehicles safely and legally. The car is their current home, but it is also their livelihood and provides access to other vital services and networks. Over 66% of participants are employed or have a source of income, and major barriers to stable, individual housing come down to up front costs such as rental deposits, furniture purchases, and credit repair options.
